## Wise council

If you must know, here are the candidates who'd do most to improve City Hall

**John Barber**

### **JEM CAIN**

Apart from Cesar Palacio in Davenport, no first-term councillor has proven more decisively incompetent than Mark Grimes in Etobicoke-Lakeshore. The great news is the emergence of Ms. Cain as the clear best choice to replace him. A classic volunteer activist, she has held Mr. Grimes to account, point by point, in his multifarious ineptitude. She has also attracted impressive, non-partisan support in her campaign to replace him, most recently from fellow challenger George Kash. Compared to Ms. Cain, Green Party candidate Matthew Day is green.
