Dear Neighbours:

I am writing to **ask for your vote AS COUNCILLOR on October 25, 2010**. In 2006 I placed second, and this time I want to be your Councillor to represent my neighbours and our community.

South Etobicoke has always been my home. Volunteering with the community, I have led and won many neighbourhood improvements. **At City Hall I can do more for you!**

Long Branch is a charming neighbourhood combining historic cottages and modern homes. As your Councillor here are some specific priorities I will work on with you:

ARVIN PROPOSAL ON LAKE SHORE I will ensure that the developer and city planners listen to the community and that the **final plan reflects our needs and vision for the future of Long Branch.**

MARIE CURTIS PARK A park master plan is underway. I will ensure that everyone in the community is aware of the plan and has input into the future of our waterfront park and the kind of activities we see there.

STORMWATER MANAGEMENT The city has plans to reduce pollution going into the lake, which could dramatically change our waterfront. The city's plans have not been shared with us. This is an important opportunity to improve our parks and **make our lake swimmable, fishable and drinkable!**

VACANT SCHOOLS I will ensure that vacant schools in Long Branch are used for community benefit and the green space is retained for parkland.

For a full time Councillor who is accountable and available
For a Councillor who puts the community first
For change at City Hall
Vote Jem Cain!

COMMUNITY VOICES

From development, to zoning, to parks; if there's a problem or an issue in our community, Jem's on it. She works so tirelessly as a volunteer, I can only imagine what she could do if it was her full-time job!
