Dear Neighbours:

I am writing to ask for your vote AS COUNCILLOR on October 25, 2010. In 2006 I placed second, and this time I want to be your Councillor to represent my neighbours and our community.

South Etobicoke has always been my home. Volunteering with the community, I have led and won many neighbourhood improvements. **At City Hall I can do more for you!**

Mimico is an historic neighbourhood with charming homes and a real sense of community. I would like to preserve, enhance and improve our community as your City Councillor. Here are some specific priorities I will work on with you:

MIMICO 20-20 is a blueprint for revitalization. My vision of a vibrant community provides housing for all stages of life. This includes good quality rental, affordable housing for young families and retirement living - all within our community.

LOCAL CONSTITUENCY OFFICE I will open a constituency office and form a community advisory group to provide guidance and feedback on local and city wide issues.

AMOS WAITES PARK is an important centre for Mimico. I will fight for the pool and washrooms to be renovated and the playground equipment to be upgraded. I will tolerate no further delay to the completion of MIMICO LINEAR PARK.

BONAR CREEK AND STORMWATER MANAGEMENT The city has plans to reduce pollution going into the lake, which could dramatically change our waterfront. The city's plans have not been shared with us. This is an important opportunity to improve our parks and **make our lake swimmable, fishable and drinkable!**

NEW DEVELOPMENT Proposals such as that at 11 Superior Ave need to be more sensitive to the local neighbourhood. As your councillor **I will reject proposals that are not in the best interest of our community.**

For a full time Councillor who is accountable and available
For a Councillor who puts the community first
For change at City Hall

COMMUNITY VOICES

I have worked with Jem on a volunteer Board for several years and have been repeatedly inspired by her commitment to our community - while the rest of us are hoping for change she's out there making it happen.

Val Alston
Mimico Resident

I never knew the meaning of community activism until I met Jem. She is a tireless worker who gets involved in countless community initiatives to make our neighbourhoods better, safer, greener. She doesn't just talk about it - she gets it done!
