Dear Neighbours:

I am writing to ask for your vote AS COUNCILLOR on October 25, 2010. In 2006 I placed second, and this time I want to be your Councillor to represent my neighbours and our community.

South Etobicoke has always been my home. Volunteering with the community, I have led and won many neighbourhood improvements. **At City Hall I can do more for you!**

North Mimico has historically been home to many new comers to Toronto. Royal York Road is a main street with vibrant retail. I would like to preserve, enhance and improve our community as your City Councillor. Here are some specific priorities I will work on with you:

LOCAL CONSTITUENCY OFFICE I will open a constituency office and form a community advisory group to provide guidance and feedback on local and city wide issues.

21 DIVISION POLICE STATION I will fight for this building to be reused for community benefit and not sold off to a developer. We need proactive involvement in the reuse of this building, and I want to hear from you.

MYSTIC POINTE DEVELOPMENT Residents have endured building and excavation for too many years. The mound of contaminated soil needs to be removed and the developer needs to honour its commitment to provide access to the Mimico Creek and expand Grand Avenue Park. As your Councillor I will ensure that this matter gets resolved quickly. A plan for the park should be created in consultation with the neighbourhood.

VACANT SCHOOLS I will ensure that vacant schools in Mimico are used for community benefit and the green space is retained for parkland.

For a full time Councillor who is accountable and available
For a Councillor who puts the community first
